*Our theme of
1968-1969 Juneau-
Douglas Totem
is a characteristic
comparison of the bear
and the student.*

*The bear is the epitome
of knowledge and strength.*

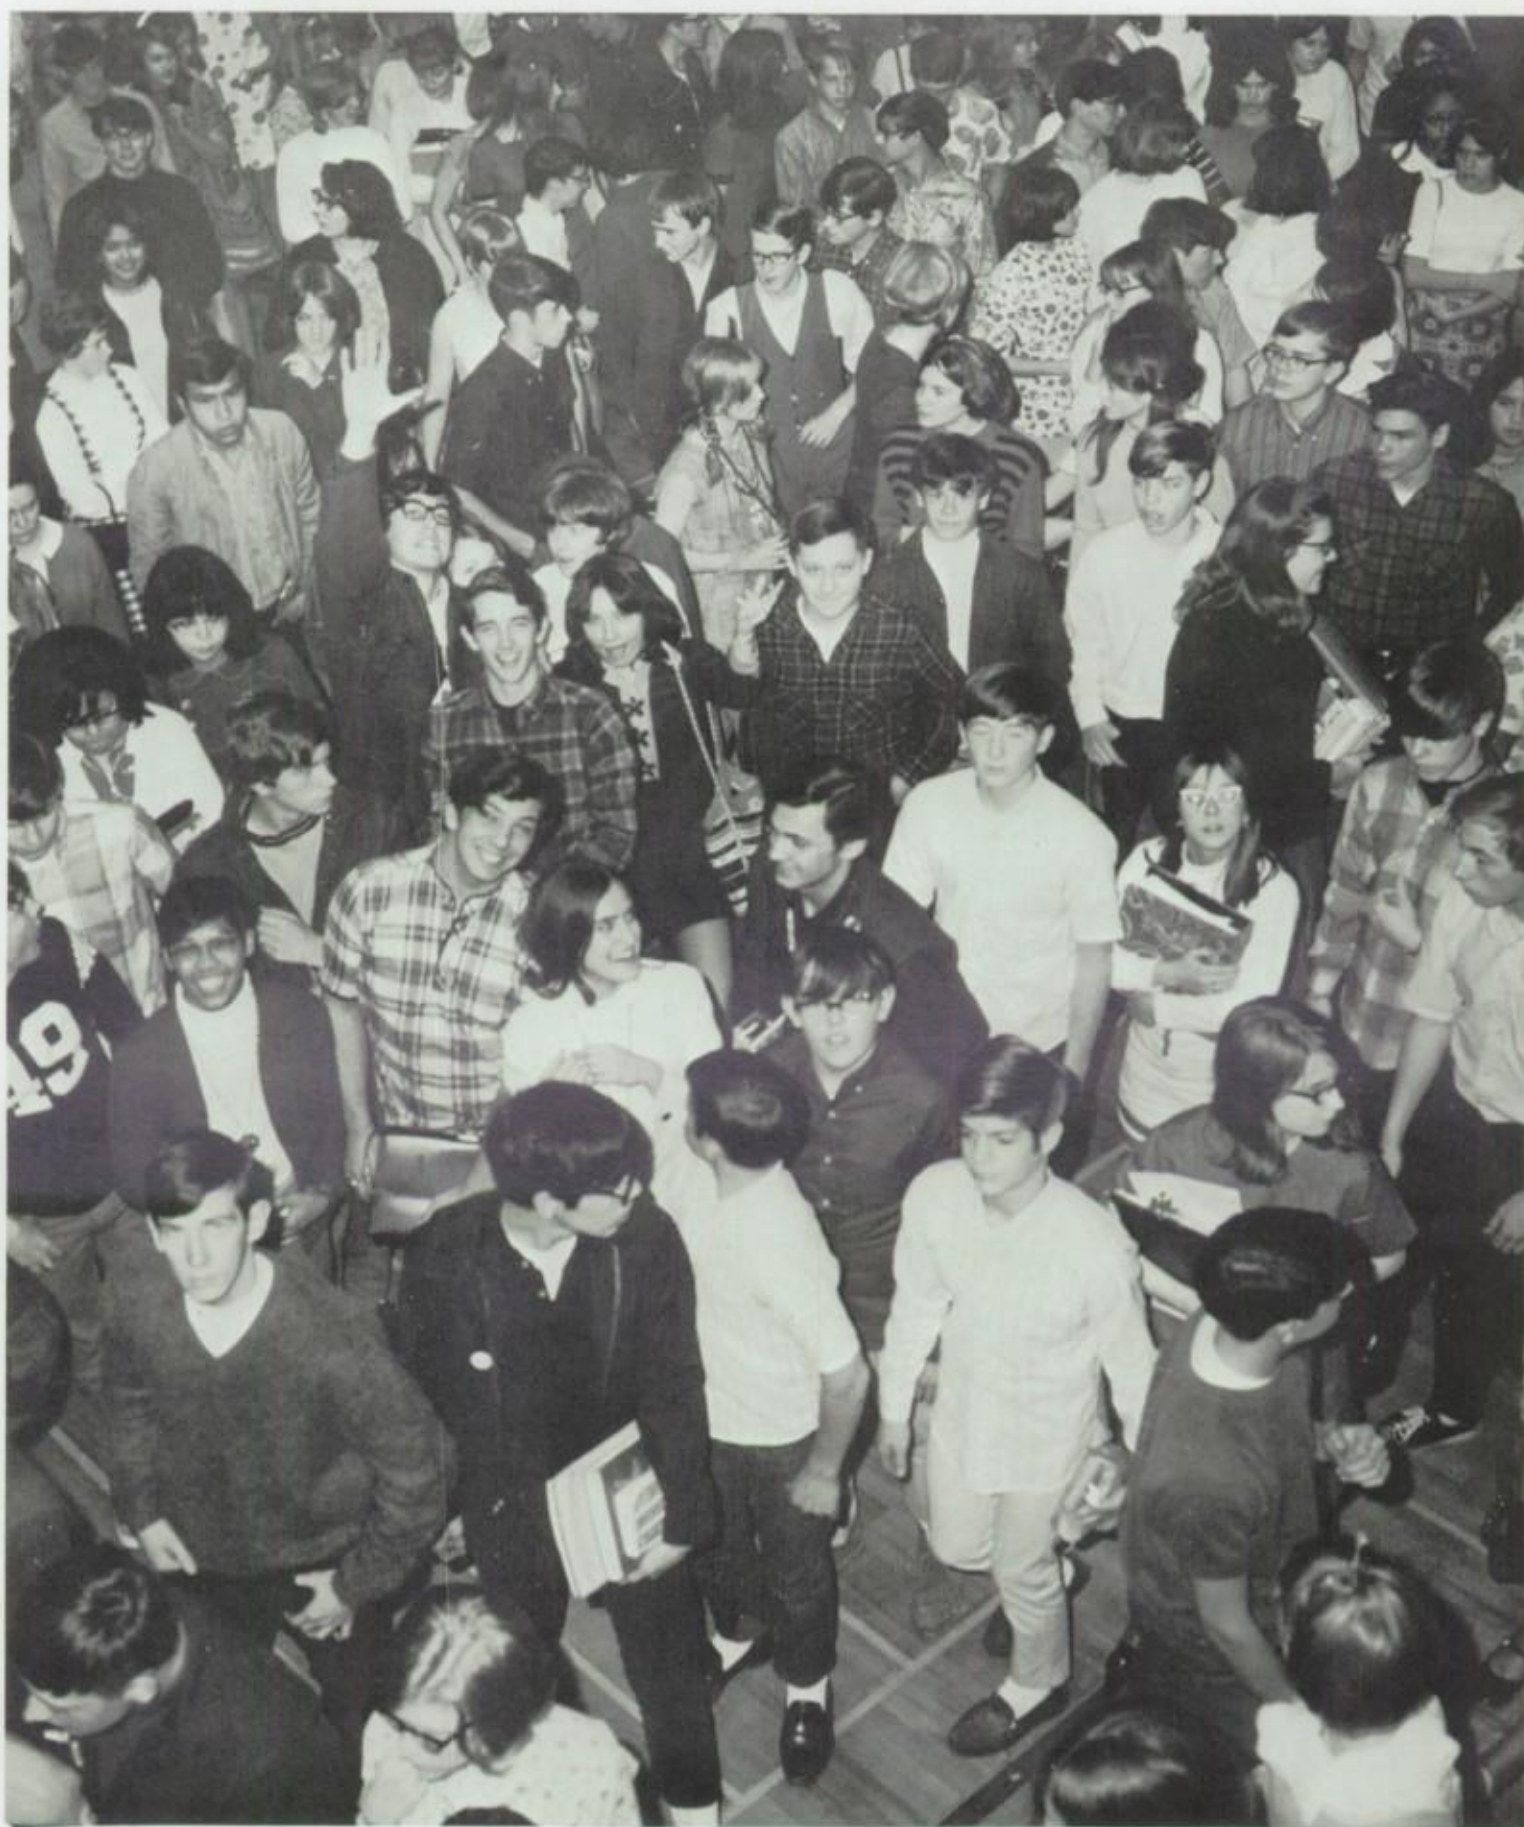

To reach this plateau,

*the bear follows assorted
paths of experience.*

He lives, learns, . . .

...works, plays, ...

... and experiments.

DEAREST DARLING
MISS HUFFMAN —
YOU'RE A
REAL HEAD
Steve

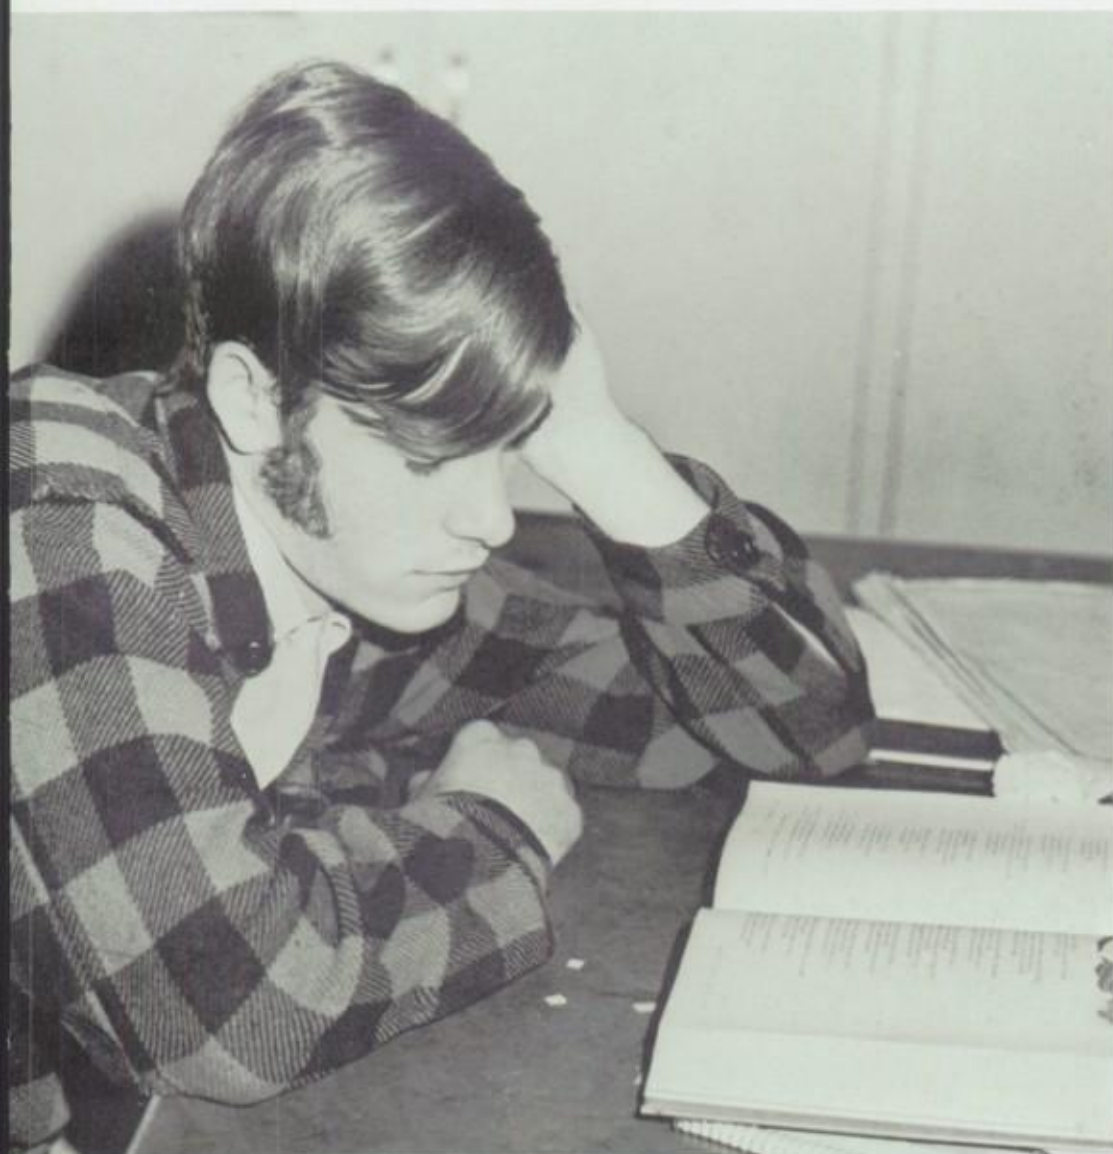

As with the bear,

so with the student.

rsity

Hoping to represent the school as varsity members next year, the J-V basketball players and cheerleaders worked to improve their hidden talents. Under the guidance of Coach Markey, the basketball players steadily improved, thank goodness, as did the cheerleaders with the help of Mrs. Simon.

Alternate: J. Scott

Trying to improve upon a second place finish in Southeast last year, Coach Clair Markey installed a tough full-court press to the Bears' game plan. With the press working effectively and all-around inspired teamwork, the Bears compiled a 19-2 won-lost record overall and an 8-0 conference record to take to the Southeast Alaska Basketball Tournament at Sitka. The only losses of the year, a controversial 47-46 game at Wrangell and an exhibition game with the City league champion Arctic Knights, were both later avenged.

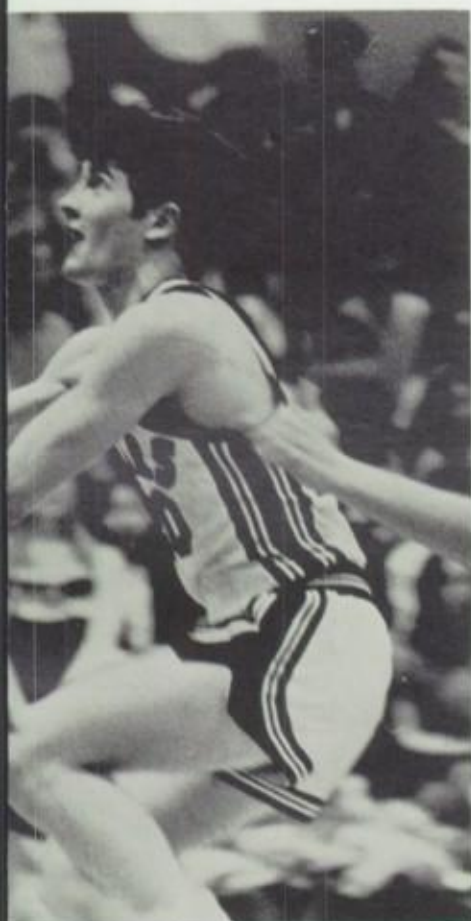

Bears B Southeast

Coming to the Southeast Tourney rated No. 1, the Bears continued their winning ways by beating Mt. Edgecumbe 86-43, Ketchikan 59-43, and Sitka 56-50 to take the championship. After the jubilant J-Hi fans returned to their seats, the awards were presented. Bill

ALL-ALASKA CHAMPIONS!

After their smashing victory in Sitka, the Crimson Bears ventured north to challenge the Western Alaska Champions the Lathrop Malemutes. They handily took the first game by the score of 77 to 65. The second game in the series proved to be considerably more difficult. After trailing from the opening tip-off, the Bears fought back to tie the score and send the game into overtime. They immediately gained the lead and held on for a 78 to 71 victory, giving them the All-Alaska Championship. In an inconsequential third game, the Bears came from behind to take the Lathrop Malemutes by a score of 67 to 51, and swept the series.

AARGH!!!

Yup, they sure do look nice.

Thibodeau leads the tip-toers out of the tulips.

Cross Country

This year's Cross Country team, coached by Mr. Stavley, could be found at all times of the day plodding the streets and highways of Juneau. These long hours of training were sacrificed by the runners in order to move up from last year's third place finish in the Southeast Alaska Cross Country Championship. In the late fall, they put this diligent training to the test and captured second place in the Southeast meet. Guy Thibodeau repeated as the individual first-place winner.

Wrestling

This year's wrestling team, coached by Mr. William Hatcher, proved to be more adept at squashing their opponents to the mat than last year's team. After tying defending champion Mount Edgecumbe in the first match of the year, they continued their winning ways with victories over Sitka, Petersburg, and Ketchikan. Co-captains Dave Weathers and Ross Sheakley led the team made up of members of all classes weighing from 95 to 195 pounds towards the goal of Southeast champions.

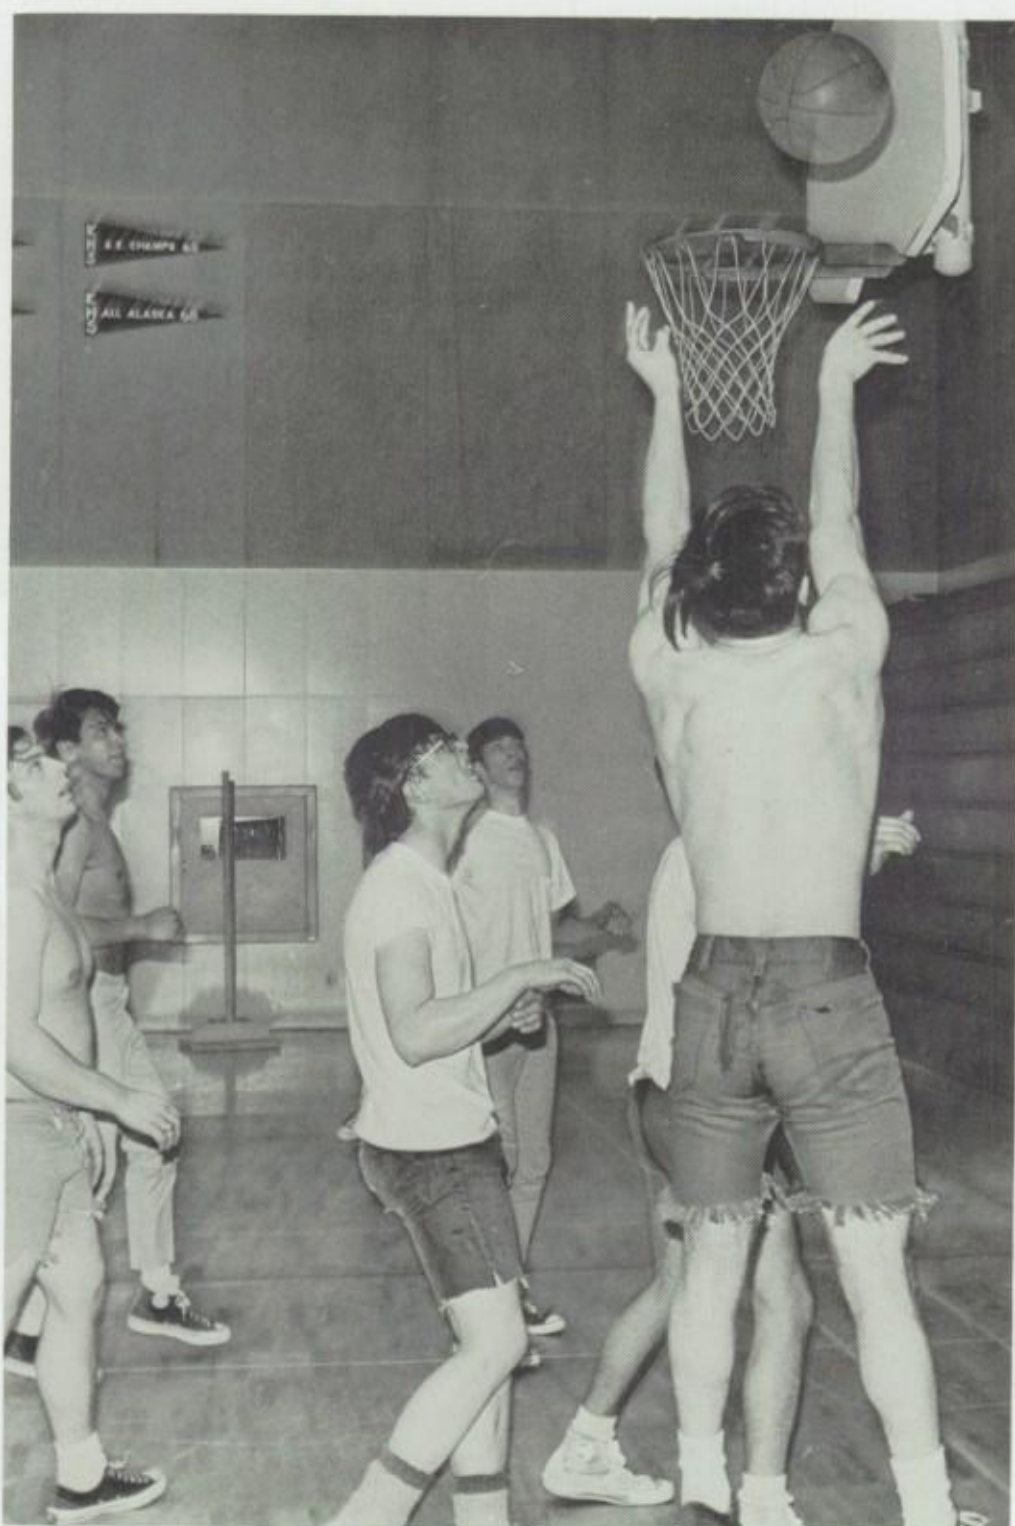

Ski Team

With interscholastic skiing in Alaska limited to cross country, Coach Joseph Heersink could concentrate his efforts in that direction. Using training movies and attending a workshop by some Swedish Olympic champions, the team went to the Junior National trials at Anchorage with much hard work and training behind them. At the trials, Guy Thibodeau earned a position on the Junior National team and Joe Beedle was first alternate.

Under the organization of several faculty advisors, Intramurals provided active participation for those boys who otherwise would have no way to participate in organized sports. The fall season opened with Football, where four teams met on Tuesdays and Thursdays after school to run each other's heads into Evergreen Bowl sand.

Basketball came next, and again four teams met on Tuesdays and Thursdays to do battle against each other. William's Sonics finished in first place in the won-lost standings at the end of the season, but Gelotte's Bombers finished first in a Round-Robin Tournament held after the season ended.

Intramurals

The All-Stars then took on the J-V's and crushed them 47-46, then lost a squeaker to the faculty.

After Basketball was all over, the boys organized Volleyball competition.

Icye Student

These are the words of Norbert Denninghaus, the local International Youth Exchange student attending J-Hi this year.

"The whole school represents a little city on a mirror of life, because you can find many things in which you are interested, like a workshops, newspaper, orchestra, sports, chess, drama, and languages."

Juneau is quite a contrast to Norbert's home in Dortmund, Germany, an industrial city of 650,000 people.

Norbert participated in the ICYE program to improve his English, to travel and to find adventure. When he learned of his assignment to Juneau, his mother thought he was going to the end of the world.

The 1969 PEP KING is a Senior boy who has done lots for the High School in helping to create spirit and enthusiasm. He watches the games intently and when there is no action on the floor, he is still going strong by playing in the Pep Band which he has done for four years.

He never argues when there comes an emergency and the Pep Band has been asked to play. He was Student Director of the Pep Band in his Senior year of 1969.

In every way, we want to thank him so much.

The 1969 PEP QUEEN is a Senior girl who has put forth the most spirit and enthusiasm during every assembly and basketball game we've had. She made an effort to learn our cheers and yell along with us.

She has not only cheered but she has shown a great interest and concern in every aspect of cheerleading and basketball. She is always willing to help and she always does more than her share.

This girl has shown dedication and inspiration throughout her high school years.

She belonged to the Pep Club and after it ended her spirit continued.

SOPHOMORES

The great Sophomore class of "71" forges ahead. The theme of the Sophomore Variety Show was "Revolution". It has the distinction of being the first Sophomore class to initiate a teacher's skit in their extravaganza. The next two years are full of promise for the great class of "71".

HISTORY OF THE CLASS OF 1969

With fear and trembling, in the year of 1965, the class of '69 entered these hallowed halls as lowly freshmen. They were led by President Dan DeRoux, Vice-President Linda Dapceovich, Secretary Kathy Nielson, and Treasurer Rena Martin.

The year 1966 introduced officers President Curtis Gelotte, Vice-President Debbie Chapman, Secretary Tina Milnes, and Treasurer Arbe Vick. Advisors Mrs. Stell and Mrs. Price helped as the class presented its successful variety show, "On the Road to Somewhere." Dave Shoup, Kathy Nielson, and Ross Soboleff were the masters of ceremony.

President Ross Soboleff, Vice-President Kathy Nielson, Secretary Shirley Taug, and Treasurer Chris Stitt led the class of 1969 through its successful Junior Year. Continuing a fine tradition, the class of '69 provided Wise Old Junior Sayings for the basketball games. Tournament was held in Juneau in 1968, and Juniors were active in housing, welcoming, and demonstrating the J-Hi Spirit. The Junior Class Play, directed by Miss Silver, was "Teahouse of the August Moon." The spring of 1968 heralded the Junior Prom. The theme was "Moonlight and Roses." Juniors in ASB offices were Vice-President Dave Shoup, and Treasurer Joy Beedle.

Feeling very comfortable in the J-Hi system, Seniors elected class officers Gordon Williams, Jan Stragier, Robbie Lord, and Barb Womack. ASB President was senior Dave Steen, and Secretary was senior Jan Gregg. The Senior Class Play, "A Midsummer Night's Dream" was a smash hit. It was directed by Senior Advisor, Mrs. Cooper, and Miss Silver. The Senior Ball was held December 23. The theme was "Ice Palace." Seniors initiated Spirit Week which we hope will become a tradition. Seniors also won the competition which lasted four days and did much to alleviate school apathy. The Graduation Ceremonies took place on May 29, after four years of preparation on the part of the graduates.

The senior class motto was "WHERE THERE IS AN OPEN MIND, THERE IS AN OPEN FRONTIER."

Caught In The Act

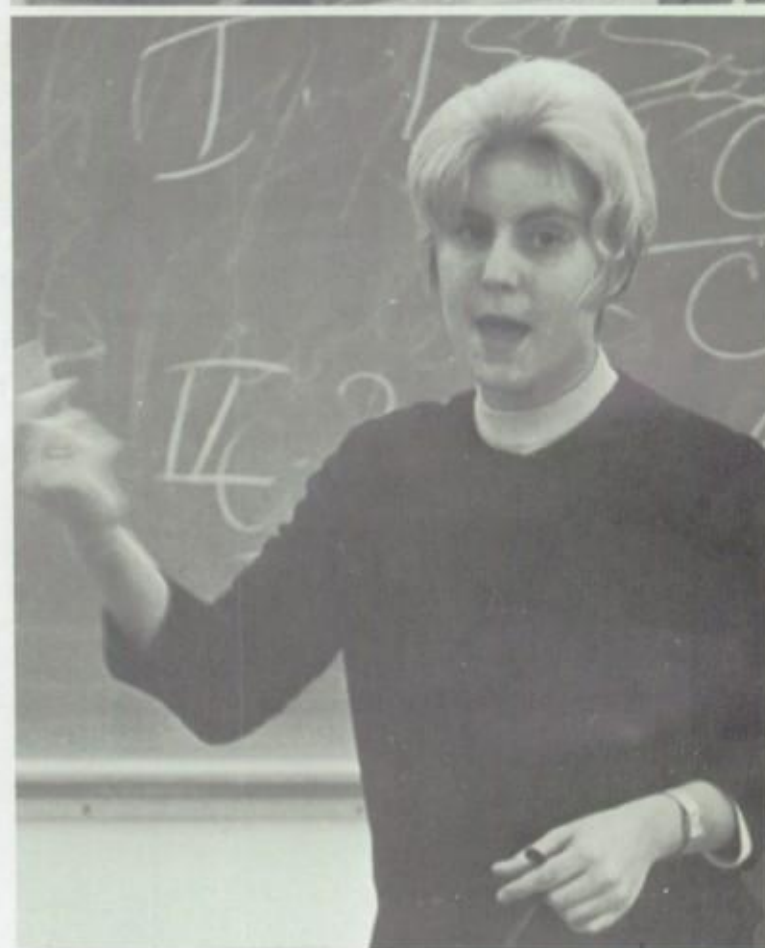

Miss Barbara

Harms

A historian, not a teacher.
An educator who stimulates
students to individual thought.
An enthusiast who brings
history alive. An interested
friend, and an imaginative
and inspiring person. She
has won the respect and genuine
affection of all. Feelings
cannot be expressed in mere
words, for they come from
the heart. The 1968-1969
Totem is sincerely dedicated
to Miss Barbara Harms.

We have followed the student on the paths of the bear. We have lived, learned, worked, played, and experimented. The close of this yearbook signals the end of a year, but we can look back through this history and remember. Now, we close this book and hail the year to come.
